**\*\* Extra winter tires on alloy wheels and all new GR brakes ! \*\***

**This Toyota GR Corolla is powered by a 300 horsepower turbocharged 1.6-liter inline-three mated to a six-speed manual transaxle and a GR-Four all wheel drive system. The car is equipped with GR-specific bodywork including wider fender flares, more aggressive front and rear fascias, rocker extensions, rear spoiler, gloss black-finished 18 alloy wheels, matte black front grille with a GR badge, gloss black fender vents, a triple exhaust with stainless steel tips, fog lights, and automatic LED headlights. Braking is handled by four wheel discs with slotted rotors and GR-branded four-piston front and two-piston rear calipers. The GR Corolla comes standard with a sport-tuned suspension and a rear strut brace. The cabin features heated front sport seats and a 60/40 split-folding rear bench upholstered in black cloth with silver stitching and GR logos embroidered on the front headrests. Amenities include automatic climate control, Qi-compatible wireless charger, aluminum pedals, a push-button**

Apple CarPlay. The Safety Sense 3.0 driver's assist suite includes a pre-collision system with pedestrian detection, dynamic cruise control, lane departure assist, and road sign assist. Power is delivered to all four wheels via a six-speed iMT manual transaxle with rev matching and a GR-Four all-wheel drive system with a variable torque split. Balance of Toyota warranty remaining until 100,000 kilometers.
